

# Glenmoriston Shooting Ground

*Run by shooters for shooters*

The following guidelines should be observed:

On booking a slot, you will be advised which layout to park beside. Please do not arrive more than 15 minutes before the shooting start time.

Shooters should report to the office on arrival at the ground.

A one-way system is in place through the clubhouse so that you can access the office and toilets safely.

Squads will consist of up to 3 shooters. Up to 3 squads will rotate during the 3hrs. You do not have to shoot every time your squad is called, but you may not join any other squad.

Shooters are required to maintain strict social distancing at all times in line with Scottish Government guidelines. Shooters should not socialise with those who are not on their squad.

Shooters are required to take all empty cartridge cases and boxes away with them - there will be no bins provided on the ground.

Practice can be paid on the day using cash or by contactless card payment.

At the moment there will be no catering or refreshments available on site.

Please leave the ground within 15 minutes of the end of shooting time.

Please do not turn up at the ground without booking a squad place - you will not be allowed to shoot if you do so. Non-shooting guests are also not permitted at this time.

Please remember that these guidelines have been put in place not only for your safety, but also for the workers who will be running the layout.

*Thank you for your co-operation.*
